To the Freedom of Information Officer for U.S. EPA Region 5:

This is a request under the United States Freedom of Information Act.

I am requesting records sufficient to show all ongoing investigative work product, findings, results, summaries and/or conclusions from the Environmental Protection Agency's investigation at the Indiana Dunes National Lakeshore, following the July, 2013 incident in which a boy was trapped in a sand dune (and then rescued) on July 12, 2013.

Please send all requested documentation to me at NBC5 Chicago; 454 North Columbus Drive; Chicago, Illinois 60611. I would also be happy to accept the records electronically, via my e-mail address at [katy.smyser@nbcuni.com](mailto:katy.smyser@nbcuni.com). And if there is any way in which I can help in gathering these documents or otherwise assisting you in getting this information and documentation, I would be happy to do so.

Because these records are in the public interest, I ask that you waive any reproduction fee. And if you deny this request, please tell me on what grounds, and to whom I should appeal.

If you have any questions concerning this request or need any additional information, please don't hesitate to contact me at [katy.smyser@nbcuni.com](mailto:katy.smyser@nbcuni.com) or at 312-836-3187. Thank you so much for your time and consideration in this matter.

Sincerely,

Katy Smyser  
Producer
